EDUCATION

Ph.D. Architecture, Faculty of Art and Architecture, Islamic Azad University, Science and Research Unit, Tehran. Dissertation: "Interspaces and its effect on the spatial organization of architectural and urban elements in Iran - Case study: Part of the historical context of Tabriz city." 2008

M.A. First rank Master of Architecture, Faculty of Art and Architecture, Islamic Azad University, Tabriz branch. General Field: "Designing a part of the historical rampart of Tabriz city (space-building)". 2003

HIGH SCHOOL: Experimental Diploma, Tawheed High School, Tabriz.

AWARDS AND HONORS

Selected researcher of East Azerbaijan Province, Department of Art and Architecture. 2022

Selected researcher of Islamic Azad University, Tabriz branch. 2014 & 2019

Selected researcher of the 5th Festival of Educators of the Art and Architecture Department of Islamic Azad University. 2017

The best work of the festival of the best scientific works of humanities, the special prize of Allameh Jafari for the book Dar al-Saltaneh, Tabriz.

TEACHING POSITIONS

University associate professor since 2015

Full-time faculty member of Islamic Azad University, Tabriz branch since 2005

Member of the Research Council of Islamic Azad University, Tabriz Branch since 2017

Member of the Publishing Council of the Islamic Azad University, Tabriz Branch 2020 to now

Member of the Research Council of the Faculty of Architecture and Art, Islamic Azad University, Tabriz Branch 2010 to now

The director of the specialized PhD department of architecture in the pre-defenses of the central organization of the Islamic Azad University 2021 & 2022

Member of the interview committee for the specialized doctorate in architecture of East Azerbaijan province 2017-2019

Member of the scientific interview committee for applicants for employment in the academic staff of Islamic Azad University units and centers, Tabriz branch 2009-2014

TEACHING EXPERIENCE

Art and architecture of the world religions (Ph.D course in architecture)

The common language of architecture in historical eras (Ph.D course in architecture)

The common language of architecture and other arts (Ph.D course in architecture)

Theoretical foundations of architecture (Ph.D course in architecture)

The wisdom of Islamic architectural art (M.A. course in architecture)

Iranian architectural thought (M.A. course in architecture)

Culture and Architecture of Iran (M.A. course in architecture)

The wisdom of art and technology in Islamic architecture (M.A. course in architecture)

Workshop of architectural design 1, 2 and 3 (M.A. course in architecture)

RESEARCHS

Presenting the model and explaining the branding priorities of the new city of Sahand and developing a model for branding Hasht Behesht complex (Sahand Construction Company, East Azerbaijan Province, Iran, 2023).

How to replace Zero Energy systems in schools instead of fossil fuels, (East Azerbaijan Province School Renovation Organization, Iran, 2016).

Investigating the design process of residential complexes in Iran in the contemporary era, (Islamic Azad University, Tabriz branch, Iran, 2015).

Reconstruction of the map of the city of Tabriz in the Safavid valley based on the miniature of Mutaraqchi and other documents (Islamic Azad University of Tabriz branch, Iran, 2013).

Reconstruction of the government palaces of the city of Tabriz in the Qajar period based on historical documents, (Islamic Azad University of Tabriz branch, Iran, 2013).

Investigating geometric decorations in the architecture of Iranian mosques from the point of view of fractal geometry, (Islamic Azad University, Tabriz branch, Iran, 2011).

Examining the principles governing the physical structure of the city of Tabriz during the Qajar period, (Islamic Azad University of Tabriz branch, Iran, 2009).

PUBLICATIONS

BOOKS

Balilan Asl, Lida (2018). **Dar al-Saltaneh, Tabriz, the unknown capital of Iran's tombs**, Islamic Azad University Publications, Tabriz branch.

JOURNAL EXPERIENCE

Editor-in- chief of two scientific quarterly journals "interdisciplinary studies in architecture and urbanism development" since 1400, ISSN: 0000-0000 <https://jisaud.tabriz.iau.ir/?lang=en>

Member of the editorial board of the scientific quarterly "Payam-e- Basthanesh" since 1401, ISSN: 4285-2008 <https://peb.abhar.iau.ir/journal/editorial.board?edbc=125704&lang=en>
