Two Air Terminals

Mexico City International Airport (AICM) has two arrival terminals (Terminal 1 and Terminal 2), so it is recommended to check the arrival terminal to request cab or Uber service in the correct terminal.

How to get to Mexico City Airport to University City:

➤ *By the taxi service offered at the airport*

As part of the ground services, Mexico City International Airport (AICM) offers spaces or boarding areas for the use of **taxis** authorized and regulated by the airport to provide the service.

- This service is available at Terminal 1, with boarding areas located at Gate 1 in the domestic area and Gates 9 and 10 in the international area.
- In Terminal 2, boarding is at Gate 3 in the international area and Gate 4 in the domestic area.

The points of sale are located in the area of the baggage carousel, in the ambulatory and in front of the doors of the boarding areas of **authorized taxis** in both terminals. There are two types of service:

- Ordinary, in car for 4 passengers.
- Executive, in vans for 7 passengers.
